Bardstown, KY 40004

CONSENT FOR RELEASE OF VACCINATION RECORDS
TO BOURBON CITY BARK PARK

In accordance with the Veterinary Practice Act regarding the confidentiality of patient medical records, a written authorization signed by the pet owner is required in order for a veterinary clinic to provide copies of, or information regarding, your pet's vaccination records.

In order for your pet to remain a responsible member of the Bourbon City Bark Park (BCBP), their vaccinations must remain current. If BCBP should need to contact your vet about your pet's shot records, we will be asking only about the rabies, parvo/distemper and bordetella shots. Medical records will not be accessed.

Please keep your pet's shots up-to-date. Fobs will be deactivated and your access to the park will be blocked without a current shot record.

**I hereby authorize the release of my pet(s) vaccination records
to Bourbon City Bark Park.**
